Recap - Forward Propagation in RNN

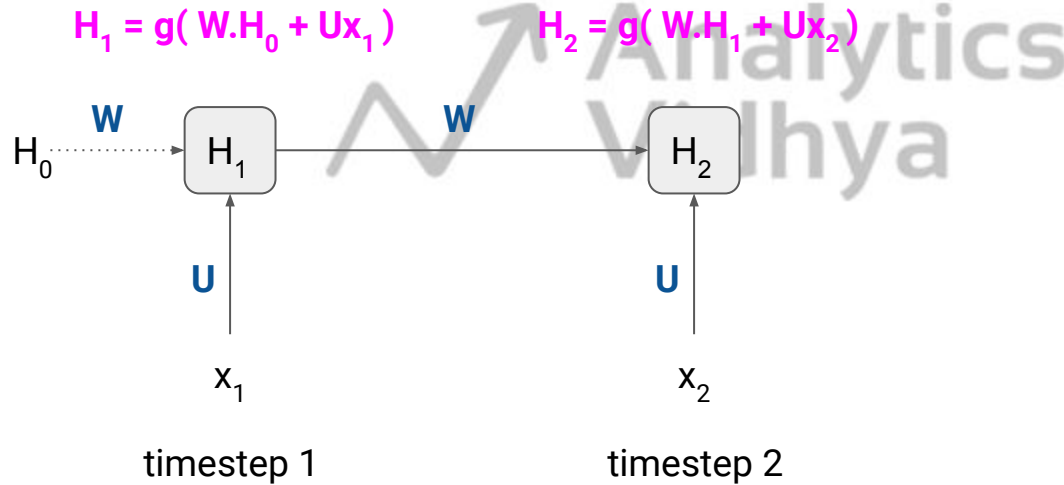

Recap - Forward Propagation in RNN

Recap - Forward Propagation in RNN

Recap - Back Propagation in RNN

Recap - Back Propagation in RNN

Recap - Issues with RNN

- **Vanishing Gradient**

RNN does not perform well for long sentences

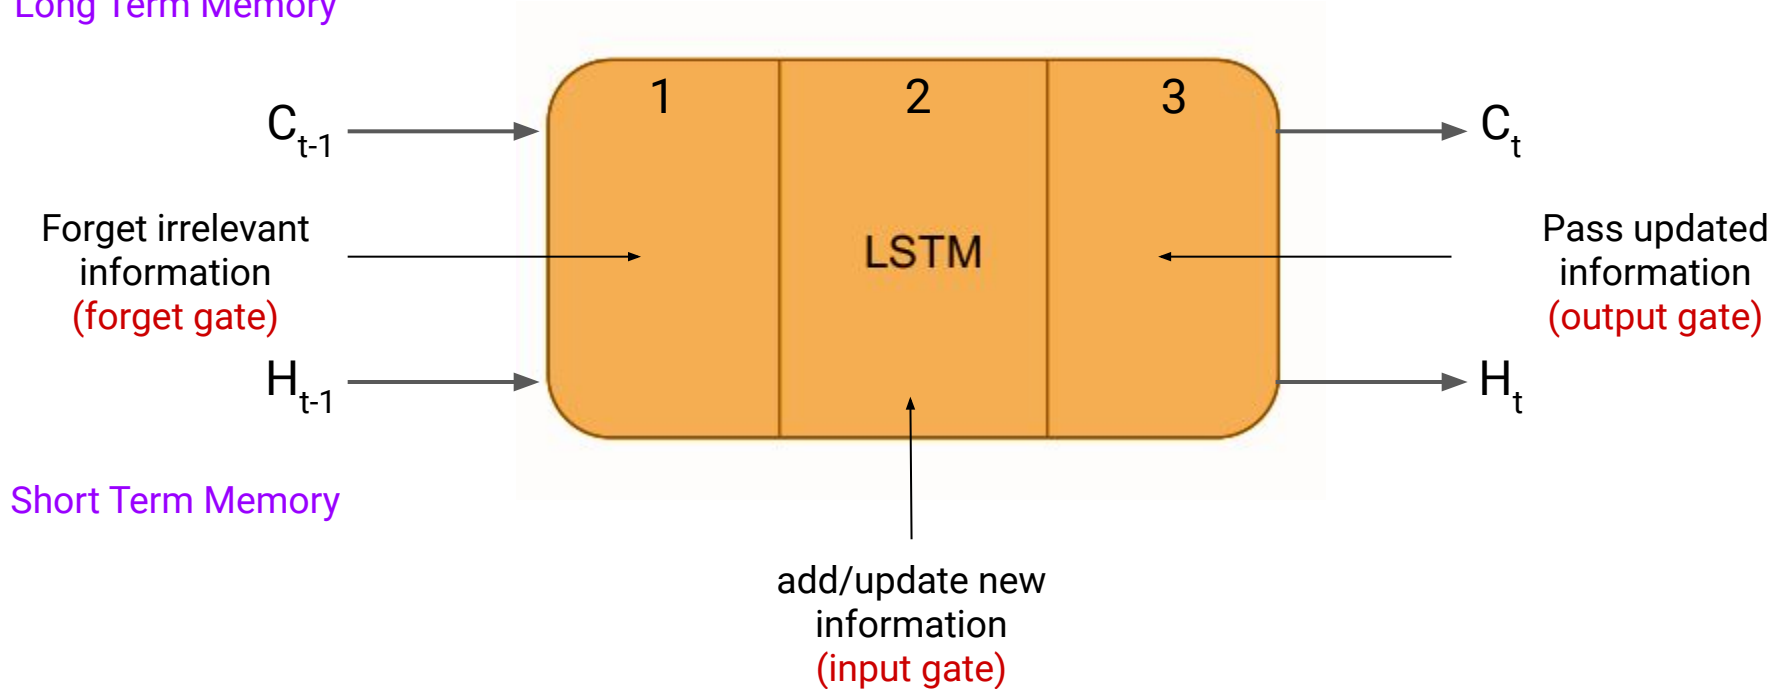

- **Exploding Gradient**

- Gradients are large
- Poor predictions

 Analytics

Recap - LSTM

Long Term Memory

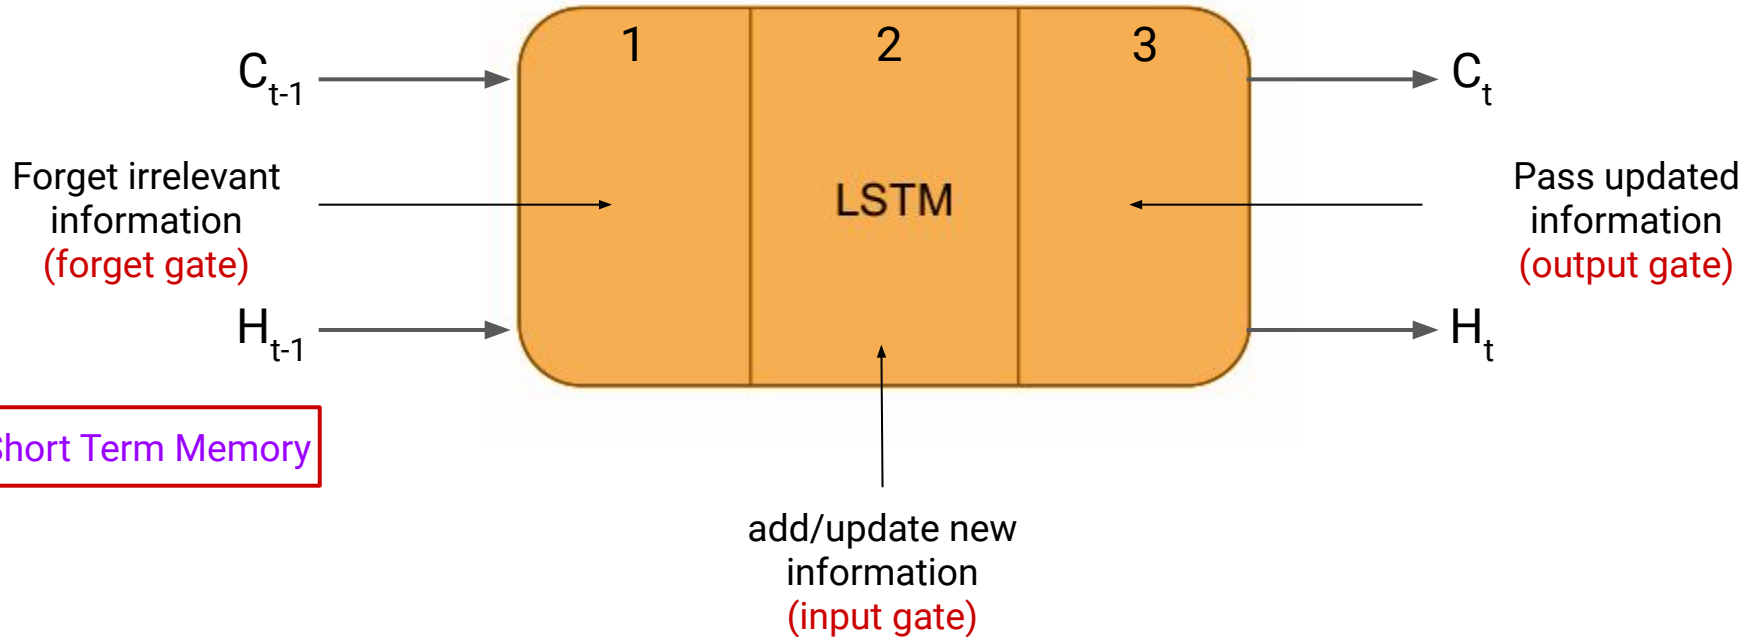

Recap - LSTM

Long Term Memory

Recap - LSTM

Long Term Memory

Recap - LSTM

Long Term Memory

C_{t-1}

Forget irrelevant
information
(forget gate)

H_{t-1}

Short Term Memory

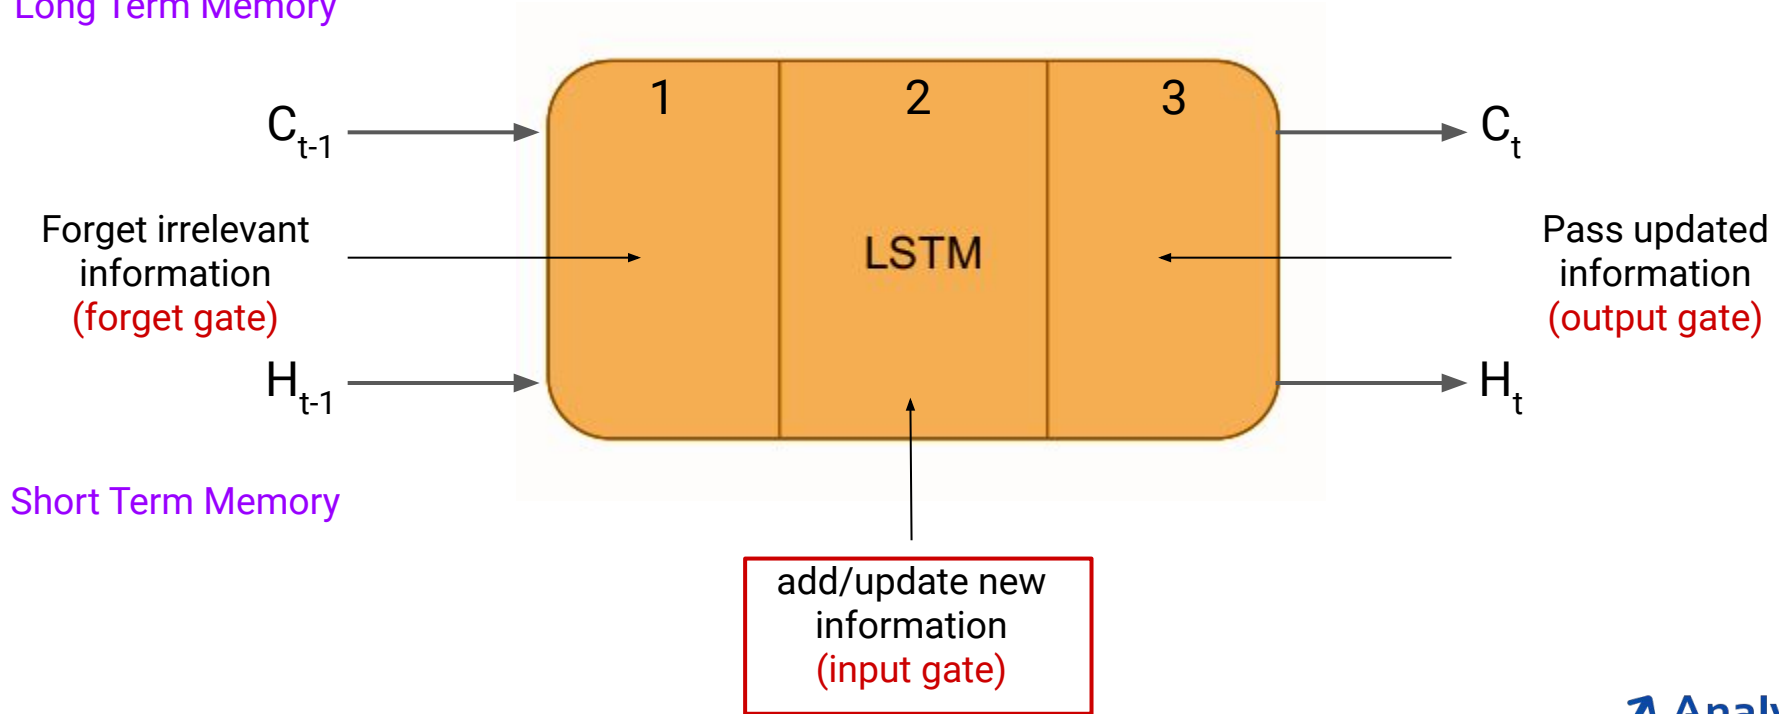

add/update new
information
(input gate)

Pass updated
information
(output gate)

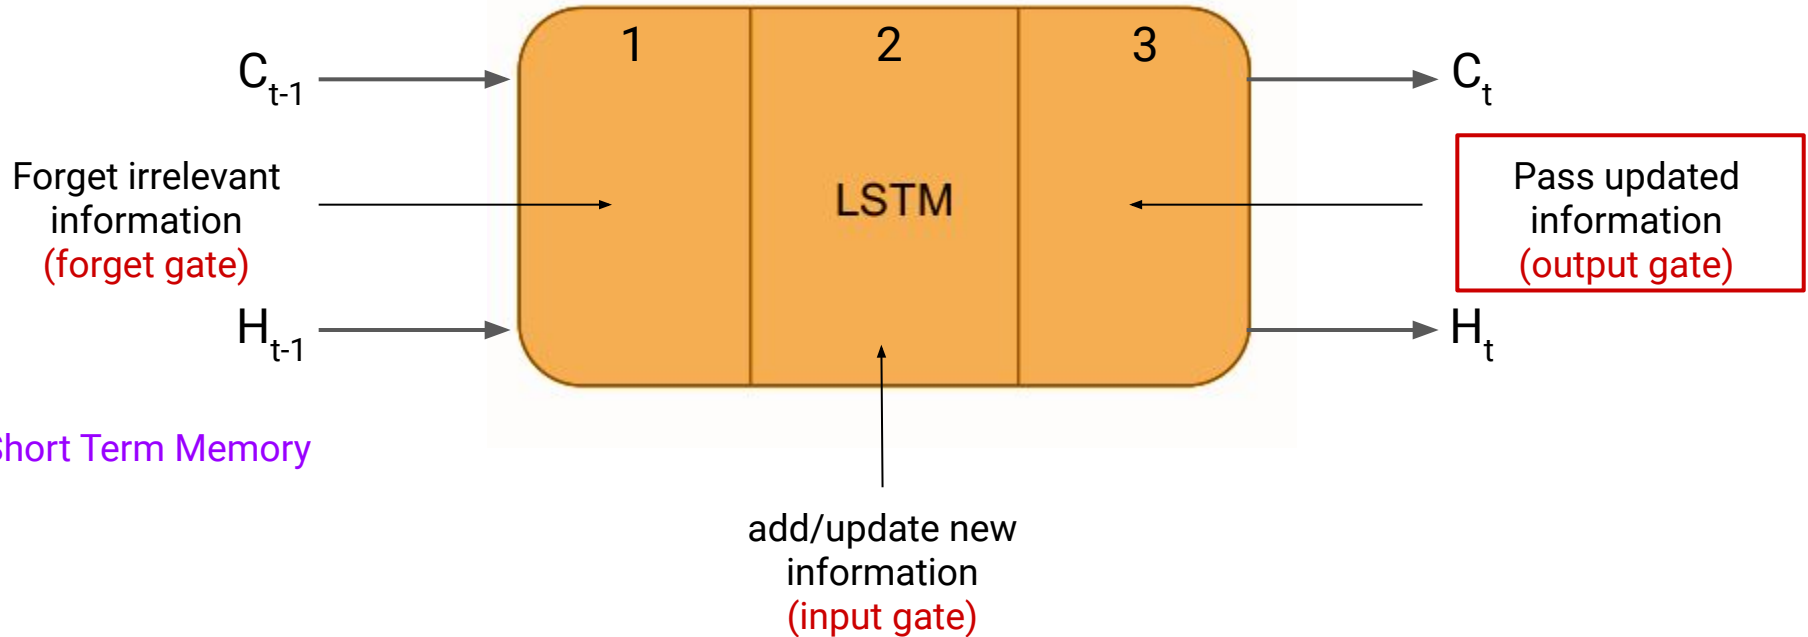

Recap - LSTM

Long Term Memory

Recap - LSTM

Long Term Memory

Short Term Memory

Recap - LSTM

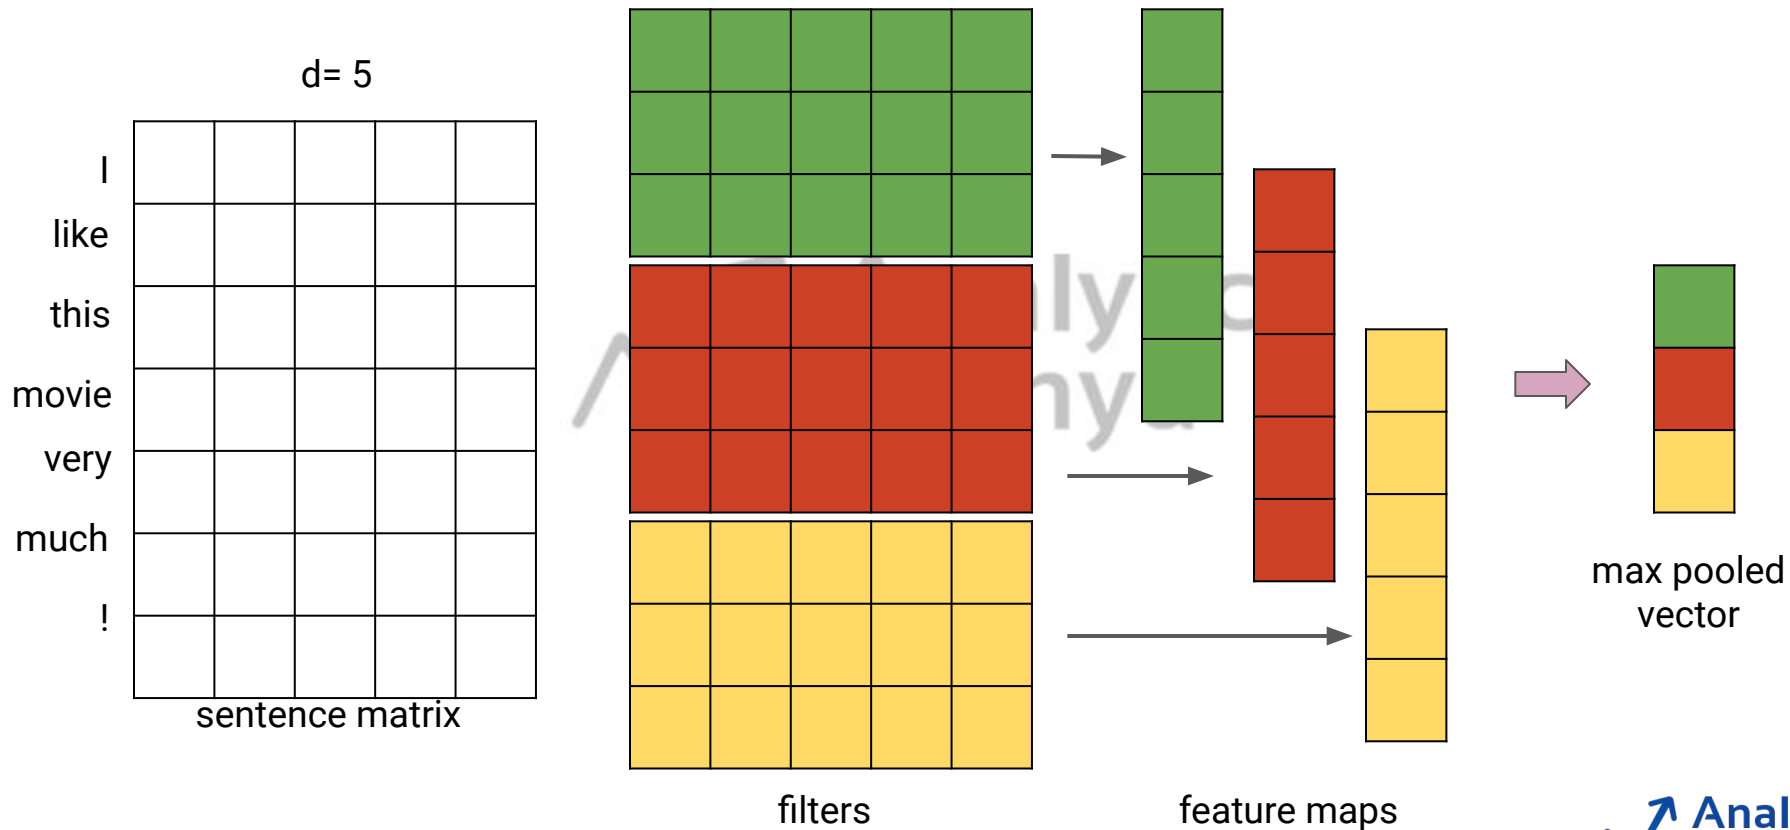

Recap - GRU

- Reset Gate (short-term memory)
- Update Gate (long-term memory)
- Simpler alternative to LSTM (fewer gates)
- Faster training

Recap - CNN 1-D
